\$3850 TAX CREDIT

DON'T JUST THINK ABOUT A NEW
KITCHEN!!!

DO IT IN 2009!!!!!!!

2009 should be the year for your new kitchen renovation. The Canadian government has announced a **Home Renovation Tax Credit (HRTC)** that lets taxpayers claim up to \$1,350 **until Feb. 1, 2010**. The Quebec provincial government has introduced a **New Tax Credit** up to \$2500, for homeowners who renovate before **January 1st 2010**.

That's a total of **\$3850 in Renovation Tax Credits***.

These tax incentives are working. Vima Design year to date has the second best bookings in the last 7 years. Come and see the passion the entire Vima Design TEAM has for your new kitchen.
